

Some of us don't know very much about the rest of us. Will you fill in what ever you know about your branch of the family? Just write it in on the proper place on the chart. Draw arrows and write in the margins if necessary. Here's information we'd like to have.

FULL NAMES: Including maiden names of women

SPOUSES & WEDDING DATES: If you only know the year, give us that.

DATE OF BIRTH: Fill in the year if that's all you know.

DATE OF DEATH: where applicable

CHILDREN OF ALL GENERATIONS: Children by spouse's previous marriage noted by square brackets []

FAMILY STORIES: When and why your branch left Missouri, travel, family business, higher education, honors, military. Use your imagination, if you think it's important, include it. Extra paper is available.

P.S. If you want a reprint of the information gathered, see Eve Pederson Mahr.
