

THE SPICKARD FAMILY

Introduction

The narratives that follow are based largely on the fine research of others. I have included a partial bibliography. I take credit only for knitting the stories together with the facts as I found them. Any errors are my own. I am especially grateful for the memories of my father, Millard David Kent, son of Ora Layton Kent and Goldie Felice Spickard Kent, and to my great aunt, Ruth Spickard Spaulding, youngest sister of Goldie.
