SUBJECT: Promotion Recommendation.

TO: Commanding Officer, AAPT, Douglas Acft., Long Beach, California.

1. The following named student, a member of your command, has displayed commendable ability in the Airplane and Engine Mechanics Course at this school. He is highly regarded by army and school officials, has received praiseworthy ratings and grades, and has been the subject of favorable comment by several of his instructors of the Lincoln Aeronautical Institute. Having retained an average of over 87.5 percent for the entire course, it is recommended that he be given the utmost consideration for promotion and assignments of responsibilities.

Private GERALD D. PEDERSON, 36366231.

Chester E. Peterson
CHESTER E. PETERSON,
Major, Air Corps,
Executive Officer.
